LIVING ROOM KITCHEN

How to arrange a functional and cosy kitchen connected with the living room? How to achieve the perfect result? Go with a uniform colour scheme for your furniture. The best choice here will be the extremely fashionable white kitchen furniture. In addition to the white finish, beige and light wood elements will also work well. To avoid monotony, introduce strong colour accents.

PORI

There are many reasons why you will fall in love with this bedroom. The casual colour of white furniture and highlights in warm oak is subtle minimalism, pure and simple. Instead of bright, eye-catching colours, there is visual harmony here, broken only by the darker wall. After all, it's a place of peace and quiet.
